COTTAGE NEWS

SANFORD NEWS

Hello Friends,

I guess you, as well as we, are happy, especially the school children because we only have three days of school this week. But getting out of school is not all there is to Thanksgiving at Barium. At this time, we help show our thanks by giving money to the Home. We are, also, thankful to those who make our Thanksgiving a happy one by giving us turkeys, fruits and other things.

Since you heard from us, Carolyn Foy from Gastonia, has come to live with us. She is in the sixth grade and we enjoy having her at our cottage.

Basketball started a few weeks ago and several from our cottage went out, but only one made it and that was Jackie Taylor. We hope this will be a real good basketball season.

We got our report cards for the second time Thursday and realized our weaknesses. Our high school girls are making good grades, but our little girls are beating us. We all know what we need to work on now so we are going to study harder this time. All of us agree that this is the hardest time of the year to study as Christmas is coming up. It gets pretty hard to keep your mind on your studies at this time of year.

We are all looking forward to Thanksgiving and we hope each and every one of you have a real nice one.

Mary Jane Bolton
Sanford Girls

INFIRMARY NEWS

Well, it's the Infirmary girls again. We have had a lot of people in bed this past month.

We wrote our Christmas letters the other week and are looking forward to Christmas.

The Senior High Fellowship is having a Thanksgiving dance on November 27, 1959.

Both of the Infirmary girls are passing their grades in school.

Everyone got their shots last Tuesday.

See you next month.

The Infirmary Girls

RUMPLE HALL NEWS

Hi,

It's the Rumple Hall girls with our news.

Basketball practice has started again and we can't wait for our first game. It is December 2. We are playing with Troutman this year.

Troutman got Report Cards. The grades weren't as good as they should be and everyone agreed to try harder.

Thanksgiving has just passed and now comes Christmas. We can hardly wait. December marks the end of the first year we have had

(Continued on page 2)

ANNUAL REPORT OF THE SUPERINTENDENT TO THE BOARD OF REGENTS

The fiscal year October 1, 1958, through September 30, 1959, ended with abundant manifestation of God's having been present during the 12 months as they rolled by. His ministry to the members of this Home and his provisions for the needs of this place continue to be the real cause for Thanksgiving.

This year continued to be one of transition. The varsity sports program was changed from the Home to the High School at Troutman and a decision was made to transfer grades five through eight to the Troutman school next year. This decision had its effect on the life of the campus and the change-over has demanded a great many new ways of doing things and the necessity for continued new planning. Such plans and procedures always have their moments of anxiety. As the year closes, your Superintendent can see no reason for regret for the major decision but still considers it to be the right path for this institution to follow.

The discussion of the various phases of the work of the Home with additional comments at the Board meeting and the recommendations that must be presented will give a picture of the operation of the Home.

RELIGIOUS LIFE

Religious nurture has been and still is one of the major reasons for the Home's existence. It is our business to see that these children are "brought up in the admonition and nurture of the Lord." Cottage parents, on their own and together with the minister have been conducting family prayers and religious worship in the cottages. Each Sunday morning family prayers are conducted in the dining room by the Superintendent or some member of the staff. There are about four different choirs under the direction of Mrs. Clinton Clontz. This we consider to be a very valuable instruction in worship. Classes are held each year and sometimes twice a year for boys and girls who want to unite with the Church. The Senior High Fellowship meets every Sunday as does the Pioneer group. The average attendance in each of these is about forty. As the Board knows, there is a service each Wednesday evening in the Church conducted by the minister. The regular Sunday morning services of worship have been good during the whole year and special weeks of religious emphasis have been fine for the campus and community.

Reverend Hugh B. Carter, Jr., the minister, and the Superintendent are working together to see in the new set up that provisions can be made through the Church and Home for adequate religious instruction and leadership. This plan will be reflected in budget requests and personnel additions. It is earnestly requested that each Regent implore the members of his Presbytery to remember Barium Springs each day in prayer.

SOCIAL WORK

The Caseworker, Miss Rebekah Carpenter, has put in enough hours for two people in her work in this department. Many fine things reflect her training for the work and her concern for the children. Case histories and records are on file which manifest back of their filing a tremendous amount of consecrated service to boys and girls. No person connected with Barium Springs has worked more faithfully than the Caseworker.

In addition to the things which pertain normally to this department, there have been added many other valuable things to be done which are time consuming. There is enough work to keep four persons busy. It is hoped that in the near future some plan can be worked out to add to this department, enabling it to more effectively serve the members of the families and the children on the campus.

The Casework Committee will report that our enrollment for the year is anticipated to be about two hundred, with about one hundred seventy-five on campus at the present time and new applications pending. For the last ten years, there has been a steady decline in institutional enrollment in general. A large institution in a nearby city has dropped from four hundred twenty to two hundred eighty. The enrollment at Barium Springs has dropped from about two hundred sixty of ten years ago to the present enrollment. According to the best information, it appears that the admissions are beginning to level off and that the next years will see a continued enrollment of about that which it is now. The space of the Home could be filled in thirty days if all the applications received were admitted. However, the administration is still admitting only those who are a part of the Presbyterian Church directly or indirectly and who have the full approval of the local Presbyterian Church in the community from which the application comes.

SCHOOL

May, 1960, will complete the first full High School cycle in the consolidated school. This year's Seniors entered as Freshmen at Troutman and have received their entire High School course in the new setting. The principal and teachers of the school give good report for the Barium boys and girls in their relationship to the school in its various activities. The transition has been much better than we had anticipated and, therefore, more firmly convinces us that it was and is the correct procedure for the Home. It still will take some time to find how best to meet the needs of the boys and girls in this broader and new relationship to the outside community and we in the Home are still working hard to discover them.

As for the elementary school, a portion of the principal's report will serve to describe the procedures:

"The 1958-1959 school year closed May 18 with one hundred twenty-five students enrolled. Forty-five made the Honor Roll for the year and only twelve were not promoted. We had a very good 98.6 per cent in average daily attendance for the year. The 1959-1960 session started with one hundred eighteen enrolled at the end of the first month and a flashy 99.7 per cent attendance mark.

"Our Music Department has continued its good work in both piano and choral renditions during the past year. About forty students were presented in two piano recitals while the different choirs have done excellent work in Church and Chapel performances. The rhythm band was outstanding during the past year with the primary grades showing marked enthusiasm. Many boys and girls were given an opportunity to 'lead a band'.

"There was some improvement in the school curriculum activities. More remedial teaching was done and a project of tutoring in the eighth grade math class proved to be very valuable. Various field trips during the year were most beneficial as this type of teaching has a definite part in any school program. All requirements for full accredita-

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

Sunday visitors under the steeple included folk from as near as Troutman and as far as Thailand. The Reverend Boon Yune Nataneti, pastor of the First Presbyterian Church of Chiengmai, and Reverend and Mrs. Duang Pantupong were recent worshippers here. Mr. Pantupong was the first Moderator of the First Presbytery of Thailand. Groups from the East Burlington, Hepzibah (Bessemer City) and Caldwell Memorial (Charlotte) attended morning services here, along with individuals from Clemson College, Charlotte, Cherryville, Statesville, Gastonia, and Nashville, Tennessee.

Special service was rendered to the congregation during the past six weeks by Dr. George Staples of Davidson, Reverend Lowry McBath of Gilwood Church, and by Dr. William M. Ramsay of Richmond, Virginia, each of whom occupied the pulpit. Thanks are due also to those who have tended the nursery during the worship hour: Mrs. W. A. Gibson, Mrs. Arthur Sigmon, Mrs. J. W. Crews, Mrs. Max Gilleland, Mrs. Terrell Hall, Mrs. Jack Crews, Roger Neill, I. B. White, Terrell Hall. Bulletins have been folded each week by the girls of North Cottage, and special worship folders by the girls at Rumple Hall. Jean Murdoch has kept the Church bulletin boards appealing with a variety of designs to tell about current programs. Miss Rebecca Knight of Statesville, and James Richardson of Davidson have been guest speakers at Senior High Fellowship meetings. Miss Carol Bell of Statesville and Miss Patricia Buercklin of Barium have been soloists in the Chancel Choir. All of these have given time and talent to make Little Joe's a better Church.

Awards were presented to Leonard Utsman, Angus Medlin, T. L. McDonald, and Billy Finley for reciting the Catechism For Younger Children. Amick Johnson memorized the WESTMINSTER SHORTER CATECHISM for which he received a Bible from the Board of Christian Education, and two dollars in cash from the Office of the Synod of North Carolina.

The Every Member Canvass was completed by five teams of Church Officers: W. A. Gibson, Glenn Steele, J. H. Lowrance, I. B. White, A. M. Calhoun, Roger Neill, J. W. Crews, Terrell Hall, D. R. Bolton, and Arthur Sigmon.

The Women of the Church named the following officers, to be installed at the December meeting: President, Mrs. A. B. McClure; Vice-president, Mrs. H. B. Carter; Secretary, Mrs. D. R. Bolton; Treasurer, Mrs. I. B. White; Historian, Miss Patricia Buercklin. Circle Chairmen are Mrs. Meta Case and Mrs. Frank Nance. Cause Chairmen are Mrs. Louise Johnson, Mrs. Terrell Hall, Miss Kate Taylor, Miss Rebekah Carpenter, Mrs. E. K. Kyles, Mrs. Max Gilleland, and Mrs. Glenn Steele.

Pioneers enjoyed a Halloween Party at the gym with guest Pioneers from Mooresville. For the week of special services conducted by Dr. Ramsay, Pioneers made 36 posters illustrating sermon topics and the theme of the week. Posters were judged by Mrs. Roger Murdoch. Miss Rebekah Carpenter, and Mrs. H. B. Carter at the request of the Pioneer Council. Poster winners include Glenn Houck, Jeanette Grier, Linda Sue Medlin, Sherry Ross, Lou Anna Bridgers, and Eloise Barefoot. Linda Sue and Lou Anna won two prizes each. Group competition in which the Pioneers were divided into four sections with keen rivalry saw the victory go to the "Nazarites" whose leader was Eloise Barefoot. Her group was made up of Linda Bridgers, Karen Crews, Sherry Ross, Charles McBennett, George Edwards, Bobby Grier, Kenneth Lockamy, Billy Finley, Linda Comptom, and Larry Joyner.

The Senior High Fellowship sponsored a Thanksgiving Dance at the gym under the direction of the following committees: Elva Medlin, Virginia Kiser, Audrey Waters, Charles McLean, and Braxton Bridgers in charge of refreshments; Publicity, Dickie McKenzie; Music, Donna Edmisten and Lacy Lentz; Decorations, Jeane Murdoch, Edward Barefoot, and Graham Blake; Hospitality, Jackie Taylor, Henry Bridgers, and Gene Taylor.

Someone has said, "Religion is not a struggle to develop our own spiritual resources in order to rise to His level: it is a joyful acceptance of divine resources to which we have access because He has descended to our level." Another has written, "When the fulness of time was come, God sent forth his Son, made of a woman, made under the law, to redeem them that were under the law, that we might receive the adoption of sons."

COTTAGE NEWS

(Continued from page 1)

our new furniture and we still enjoy it as much as ever.

We have a new little girl with us. Her name is Bonnie Brown. She has a twin brother, Donnie, and proudly proclaims, "I'm nine seconds older than he!"

We'll see you next month.

The Rumple Hall Girls

LEE'S COTTAGE NEWS

Lee's Cottage has 10 boys in it. Mike and Jim Shaw went home in June. That left us with 8 boys for about two months. In the early part of August, Eddie and Troy Homesley from Cherryville, North Carolina, came to Barium and were put in our cottage. Since then, we have had ten boys in our cottage.

T. L. McDonald and Charles McBennett have recited the Child's Catechism and received their awards. By the time this issue is out, they will have their Testament and One Dollar for reciting the Child's Catechism. T. L. and Charles are studying the Shorter Catechism, now. The other boys who haven't recited the Child's Catechism are studying it and most of them are over half way through.

T. L. McDonald and Charles McBennett were on the Junior Varsity Football team until football season ended for us. All the rest of the boys except Eddie Homesley and Mike Lockamy are on the midget football team.

BABY COTTAGE NEWS

Hello, Everyone,

We have a new little boy. His name is Freddie Webb and he is from Raeford, North Carolina. He is five years old. Susie Webb has moved to Lottie Walker I and Billy Brinkley has moved to Jennie Gilmer.

Circle 3 from Westover Hills Presbyterian Church invited us to Charlotte, Saturday, September 19, for a picnic. We all enjoyed it and we will remember it for a long time.

Bonnie Homsley and Mark McDonald go to school while the other little ones stay home and play.

Bye until next month,
Baby Cottage

ANNUAL REPORT OF THE SUPERINTENDENT

(Continued from page 1)

tion of the school were met during the year."

FARM, GARDENS, DAIRY, AND ORCHARD

All farmers in this section have been talking about the weather since mid-summer. Certainly, it was a good hay crop year because the steady rain kept the grass growing. While the Farm Committee's report will perhaps reveal the work of the farm in detail, let it be said here that the farm had a record year in some production and was down in others. Nearly ten thousand bushels of small grain was produced, which is a record, and about fifteen thousand bales of hay and three thousand bales of straw, also, are a new high for the farm. In addition, the three trench silos were filled with silage amounting to something over four hundred tons of silage for winter feeding. The peach crop was up some this year and the apple crop was reduced almost two thirds by reason of trees not blooming and cold weather getting into the orchard in the early spring. There will be plenty of apples for winter use, but the income from sales will not be realized this fall. This lack of income will be reflected in the next fiscal year's report. The dairyman, Arthur Hanks, who had been with the Home for six years resigned and a new dairyman, Mr. W. A. Gibson, was employed. A correct program has been planned and is now being pursued. The gardens produced vegetables for the table and for canning and were delivered to the kitchen according to plans made by the dietitian and the farm manager. The hog barns have been built, though not entirely complete yet. The beef herd, from the one cow and two calves of a few years ago, now has reached one hundred—made up of black Angus and White-face Herefords. It is believed that this number is ample to supply the table with beef for the children's diet. The farm manager, Mr. Roger Murdoch, has had only one year in which to orient himself and the second year should prove in which direction the farm will go under his leadership.

CAMPUS MAINTENANCE

A thirty-five acre campus with more than three dozen buildings requires time and money, particularly when the buildings are old and tremendous in size. The great struggle with the elements at times seems to out-distance the forces in the fight against erosion and depreciation. Mr. Ervin, the superintendent of this department, reports that the sewer system and septic tank are functioning well; that the water system continues to be a problem; that the heat from the central heating plant has been satisfactory during the year; and that the electric lines on the campus have been maintained. He believes the buildings in the maintenance program are about par though there are many repairs yet needing to be done. None fall in the emergency class. Bathrooms have been installed in Lottie Walker, painting has been done in various buildings inside and out, kitchens have been overhauled in campus dwellings and many accomplishments have been made which can be noted by the Regents. Furniture has been put in the various cottages where it was so sorely needed. This program will continue through the coming year until the interior of Howard and other cottages has been made satisfactory and new furniture has been placed.

The Board should carefully consider the proposal of the City of Statesville for bringing a water line to Barium Springs and then the laying of a new water line to the domestic buildings on the campus.

The plans for the new buildings recommended by the Superintendent have been sketched by the architect and will be reported by the Buildings and Grounds Committee for the action of the Board.

HEALTH

Facilities of the campus Infirmary and of the doctors in Troutman and the Davis Hospital's entire services have been used during the year for the boys and girls. Also, there has been the work of the dentist twice a week in the dental program, including orthodontia. It can be said again that no more consecrated Christian service has ever been rendered to Barium boys and girls than that which is being done by Dr. Smith Kirk. His work in orthodontia and in general care of the teeth manifests a competence and a consecration unexcelled. The general health of this campus is good and for that we are profoundly grateful.

Annual physical examinations were held. Regular shots were given—polio, typhoid, tetanus, and others that are recommended for the health and well-being of growing boys and girls.

FINANCES

The Finance Committee and members of the Board have copies of the auditors report for the year. The Treasurer will be requested to make a statement to the Board and be available for questions and answers as the Board may wish. Through these, it will be discovered that the Home operated without debt during the year within the budget prescribed by the Board of Regents. The Treasurer's report will show that certain memorial gifts were received through wills. The Board will want to take recognition of these and assign them to the particular items for which they have been made possible. It is the intent of the administration to expend the funds entrusted to its care to the best of its ability in meeting the needs of the boys and girls. The best quality and the lowest price is the aim of the Home in its purchasing program.

CONCLUSION

The operation of the Home at Barium Springs is a tremendous task. The financing of this program takes money. The year's operation in the total life of the Home leaves two firm convictions in the mind of the Superintendent. The first one is that there is much yet to be done to improve the service to the boys and girls of the Home. The second is that the year just closed would warrant the confidence of the Board and the Church in the efforts of the members of this staff in behalf of these children.

Therefore, it is with sincere gratitude to Almighty God and
